

Terms and Conditions for the Procurement and Use of Saga labels

1. SAGA FURS ROYAL, SAGA FURS ROYAL BLACK, SAGA FURS LUMI ROYAL, SAGA and SAGA I (hereinafter referred jointly to as "SAGA Labels") are trademarks owned by Saga Furs Oyj.

These Terms and Conditions for the Procurement and Use (the "Terms") of SAGA labels are a vital part of measures taken by Saga Furs Oyj to safeguard the proper application of the SAGA trademarks as a guarantee that the fox, mink and Finn raccoon skins sold under SAGA Labels are SAGA skins which are known for their high quality. A complete adherence to these Terms is a condition for the procurement and use of SAGA Labels.

SAGA Labels are offered to the trade free of separate charges and only to be used for certain fox, mink and Finn raccoon skins, i.e. SAGA FURS ROYAL, SAGA FURS ROYAL BLACK, SAGA FURS LUMI ROYAL, SAGA and SAGA I. By ordering SAGA Labels one hereby confirms to comply with the Terms and not to use or allow others to use SAGA Labels in connection with any other fox, mink or Finn raccoon skins, or for any fur item including other fox, mink or Finn raccoon skins for which the use of SAGA Labels is allowed (as specified above in this subsection).

By ordering SAGA Labels one hereby undertakes to remove and return to Saga Furs Oyj upon request any SAGA Labels which have not been used in accordance with these Terms.

2. The number of SAGA Labels obtainable depends on the applicable standard conversion formula as specified by Saga Furs Oyj.
3. For Saga Furs Oyj to run a smooth delivery service the following two conditions must be fulfilled:
 - The skins purchased must have been released for shipment by Saga Furs Oyj.
 - The appropriate order must have been received by Saga Furs Oyj.
4. When ordering SAGA Labels the following information shall be included: Customer number, Buyer number, Invoice number(s), Label type (label, flag label) and/or Hangtag, Company name, Contact person, Address, Telephone number and a reference to and undertaking to be bound by these Terms. It is of vital importance that the number of the invoice is recorded correctly, as this is the key to the computerized procurement system.
5. Saga Furs Oyj may request verification or accreditation of the correct use of SAGA Labels by users at any time: who, upon receiving the labels, assume responsibility for their use. If it is found that SAGA Labels are not used in accordance with these Terms, Saga Furs Oyj may immediately revoke the right to use SAGA Labels.
6. Saga Furs Oyj will request the user to correct its action violative or incompatible with the provisions of these Terms. If the violation continues, Saga Furs Oyj reserves the right to take administrative, civil and criminal action for any infraction or non-compliance with these Terms.
